

RAF COLLEGE CRANWELL “PHOENIX”

50 Entry to 76 Entry
January 1948 - December 1959

DISCLAIMER

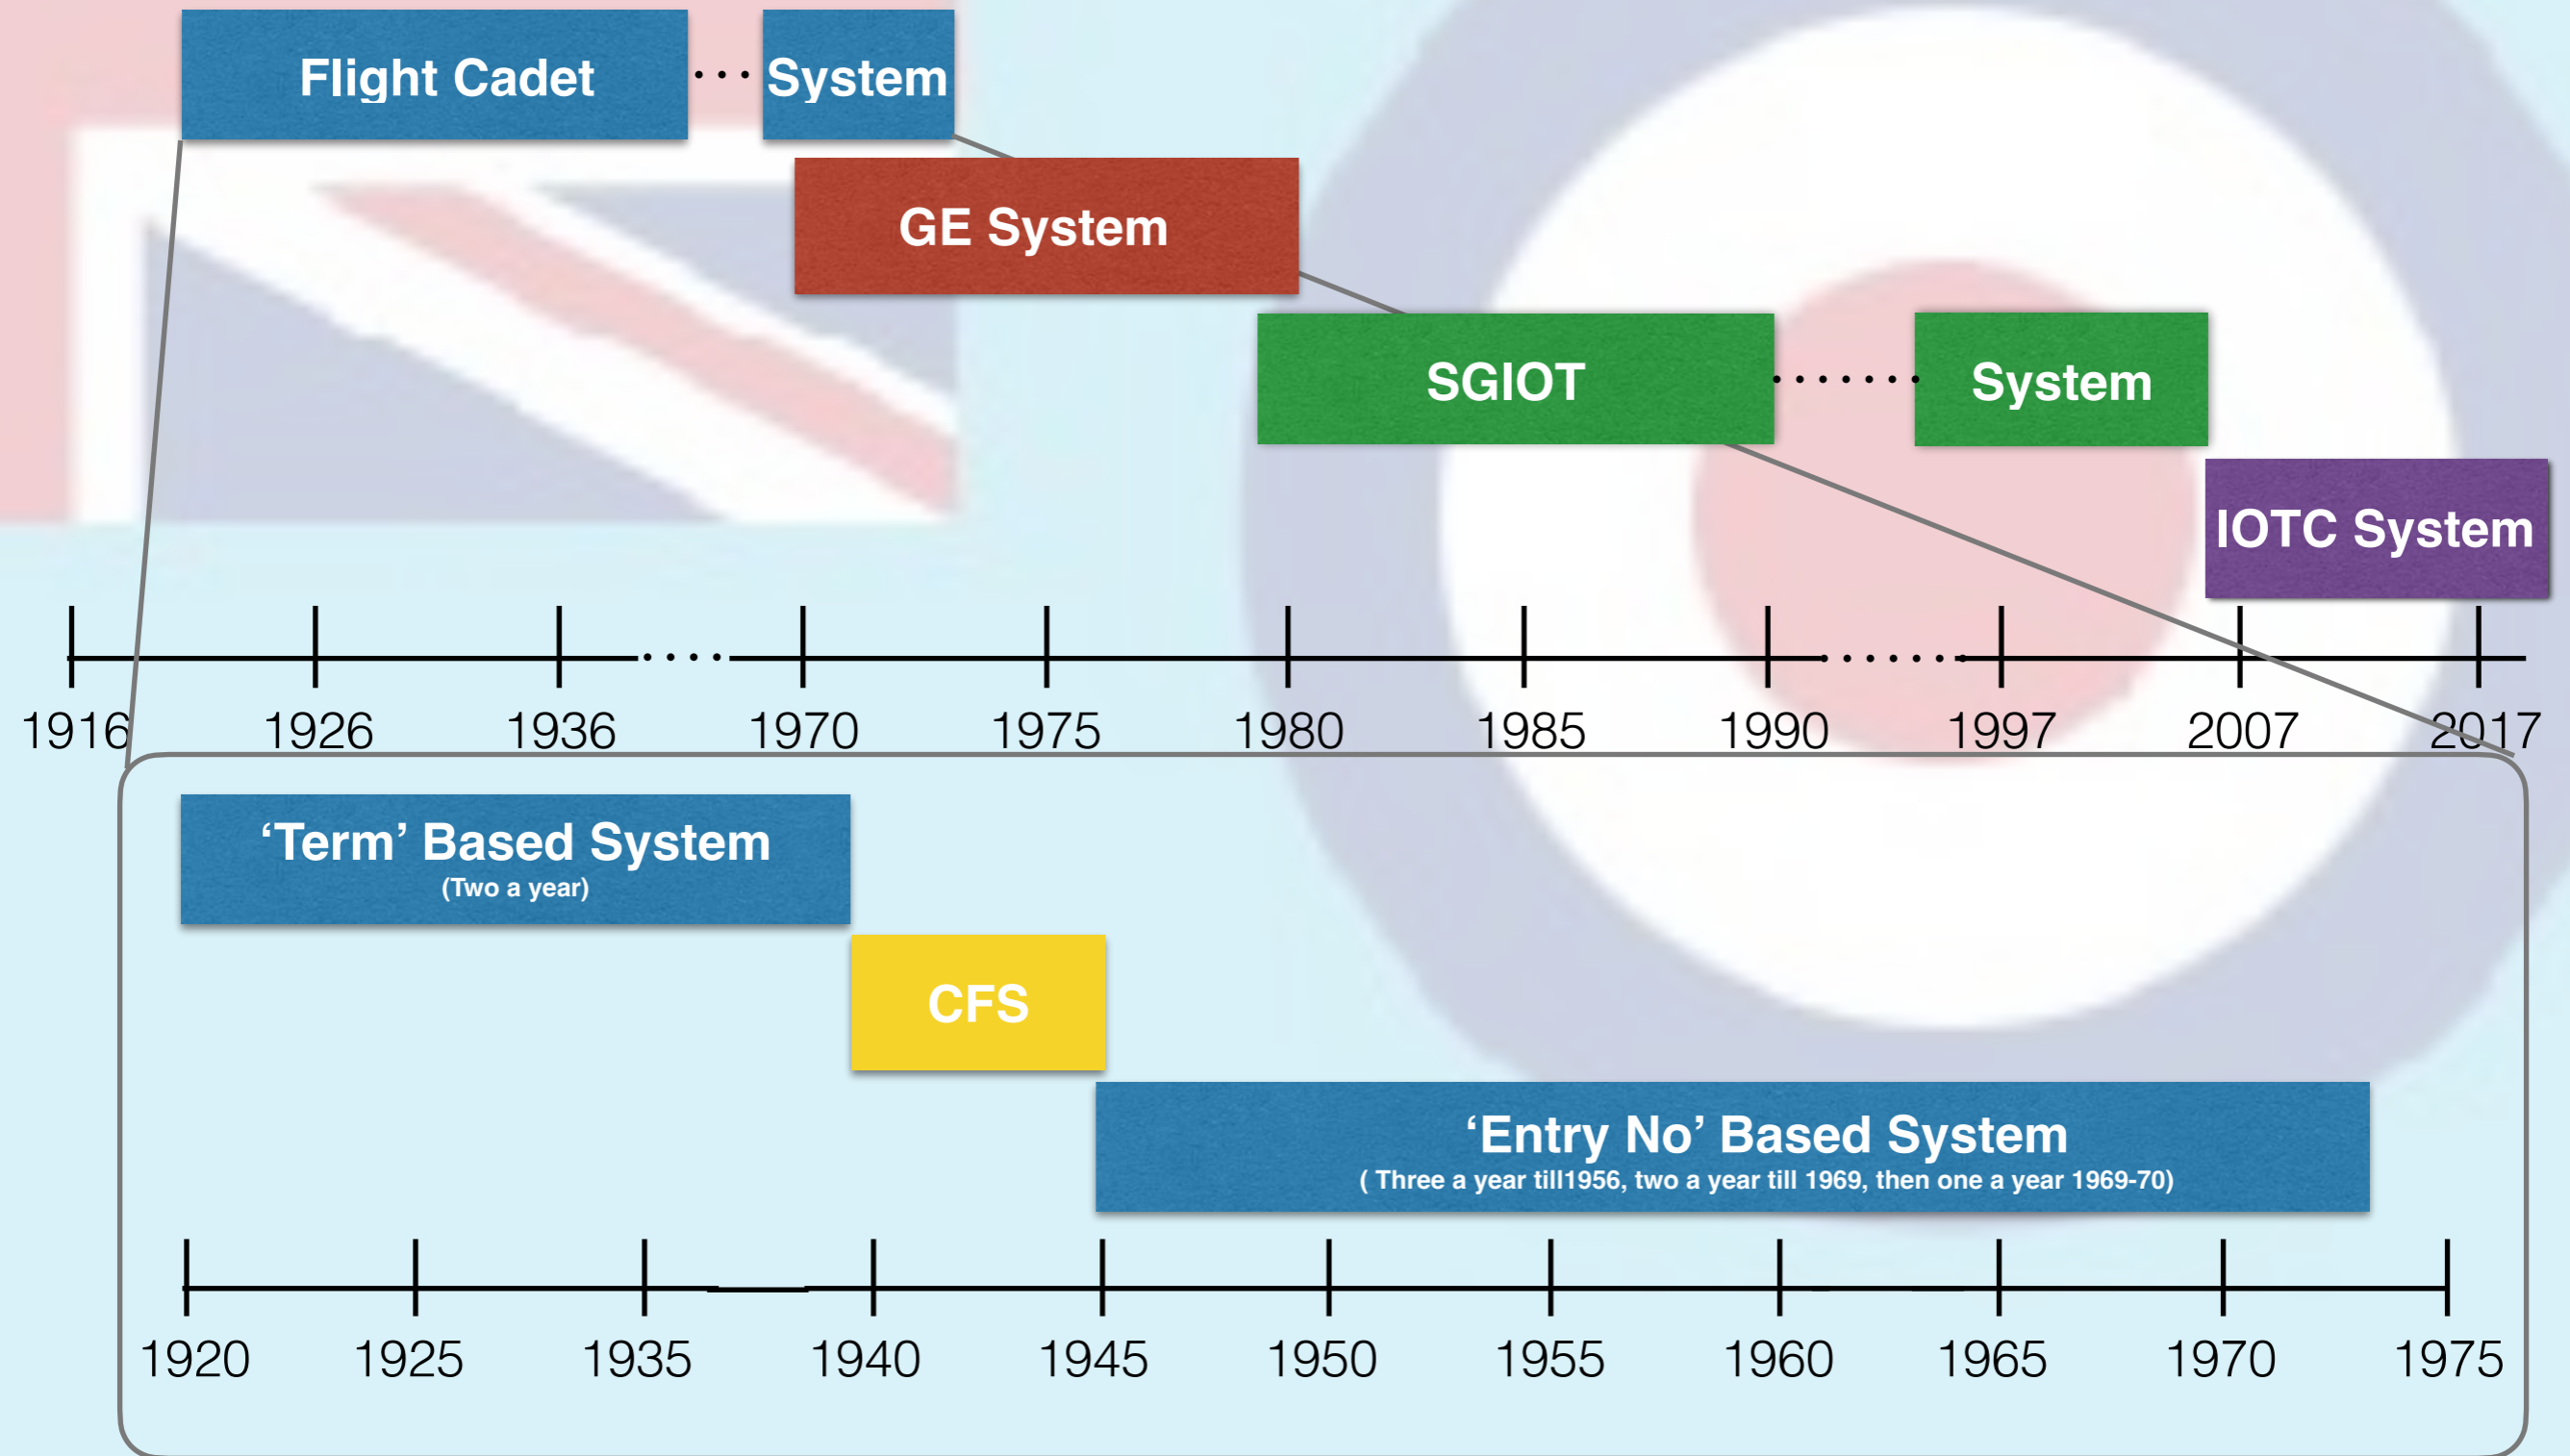

The CA College 100 suite of albums have been prepared by volunteers, drawing on the information found primarily in the College Hall Library Archive. Much of this information was diligently maintained by dedicated Library staff until c1970, at which point a series of defence savings measures resulted in significant reductions in Library resource and, as a consequence, the ability to maintain accurate, up-to-date records.

Whilst our volunteers have tried hard to corroborate fact, there has been little time to research more deeply into data held elsewhere in the public domain. Thus, the data represented in the CA College 100 suite of albums is offered in good faith as a baseline to which we might, at a later date, offer amendments.

If any reader has information that would add to the accuracy of the suite of albums, we would be delighted to hear from you. In a sense, regard this suite of albums as a first draft to which you are invited to offer constructive feedback in order that we might establish a true record of the College's Heritage and the contributions made to it by all Cranwellians.

Where we have received feedback, we have inserted the proposed changes in **RED**. Please feel free to offer more at ibms520@gmail.com.
