

RAF COLLEGE CRANWELL “IOT/IOTC PRIZE WINNERS”

Last Hick's Memorial Prize Winner 1979

Version 1.0 12 May 2022 IBM Steward 6GE

This analysis relies heavily on records archived at the RAF College before 2000 and DVDs purchased by the author of Graduation Parades beyond 2005. It is quite likely, therefore, that not all prize winners have been included especially as not all were presented their prizes during the Graduation Parades. Any members of 45 Entry and beyond (including all IOTC graduates) are invited to send copies of their graduation programmes to ibms520@gmail.com and I shall endeavour to correct any errors or omissions.
